## Health Center Patient Demographics

### Mission Statement:

Asian Health Services, founded in 1974, provides health, social, and advocacy services for all regardless of income, insurance status, immigration status, language, or culture. Our approach to wellbeing focuses on “whole patient health,” which is why we provide more than primary care services, including mental health, case management, nutrition, and dental care to patients in English and over 14 Asian languages: Cantonese, Vietnamese, Mandarin, Khmer, Korean, Tagalog, Mien, Lao, Mongolian, Karen, Karenni, Arabic, ASL, and Burmese.

### 27,726 Patients Served in 2022

### Additional Conditions

**1,877 Substance Use Disorder**

**209 Prenatal Patients**
