LA CLÍNICA

Health Center Patient Demographics

Visits:

In 2019 La Clínica provided more than 367,000 patient visits. Many of these visits addressed complex medical and behavioral needs, with patients accessing care an average of 4 visits in the year for a range of services, including: medical, dental, mental health, community health education and other patient services.

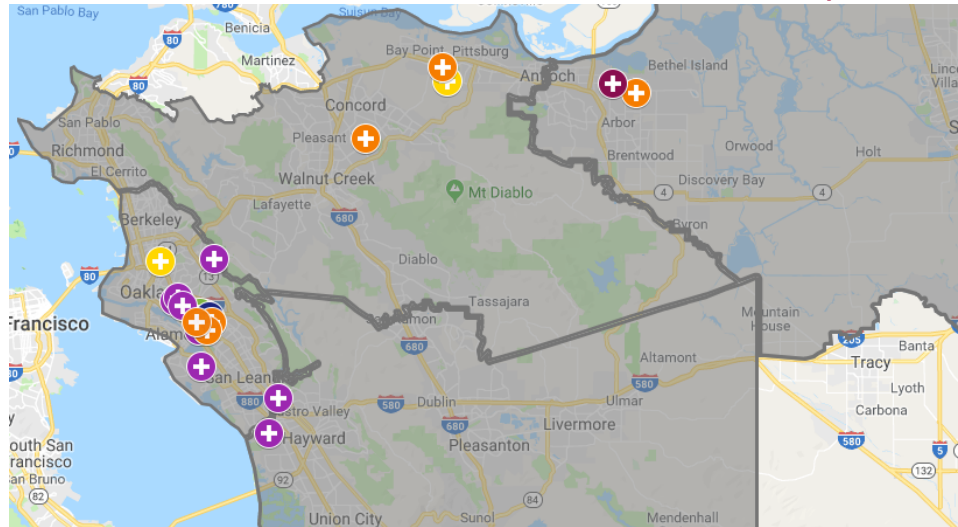

Mission Statement:

La Clínica was founded in 1971 to address health barriers and create better lives for the underserved. Today, La Clínica is the first choice for providing multi-lingual, accessible full-scope health care services in the East Bay, no matter a patient's income level or insurance status.
