NATIVE AMERICAN HEALTH CENTER AT A GLANCE

Health Center Patient Demographics

Visits:

In 2018 Native American Health Center provided more than 45,000 patient visits. Many of these visits addressed complex medical and behavioral needs, with patients accessing care an average of 4 visits in the year for a range of services, including: medical, dental, mental health, community health education and other patient services.

Mission Statement:

To provide comprehensive services to improve the health and wellbeing of American Indians, Alaska Natives, and residents of the surrounding communities, with respect for cultural and linguistic differences.
