

# Diagnostic Clarity With You In Mind

At Inview Imaging Oakland we provide high-quality and cost-effective diagnostic imaging services to our patients throughout the East Bay Area. With roots in the community for more than 50 years, our physician-owned facilities offer a personalized experience.

We accept all major PPO insurances, Medicare, Medi-Cal, personal injury liens, and most workers' compensation claims and HMO plans. We also offer affordable prompt-pay cash prices available to patients who elect to pay out of pocket.

- Subspecialist radiologists in neuroradiology, musculoskeletal, body and women's imaging.
- Timely Results: STAT results within the hour and most other results within same day. Providers are contacted regarding critical results.
- Digital Accessibility: An Inview Imaging representative can install our online portal to enable fast & easy access to images and reports.
- CD and electronic delivery of images and reports available.
- Radiology Consultation: Call our support staff to reach a subspecialist radiologist.
