

Mission Statement:

The Alameda Health Consortium (AHC) is a regional association of eight federally qualified health centers with over 105 clinic sites serving more than 285,000 patients. AHC advocates for high-quality health care for the underserved in the East Bay and collaborates as thought partners with policymakers to inform, shape and implement health policy changes.

285,300 Patients Served in 2022

Additional Conditions

12,551 Substance Use Disorder Patients

5,851 Prenatal Patients

3,773 Unhoused Patients
