COMMUNITY HEALTH CENTER: CAREER FAIR

AUGUST 22, 2023

11:00AM- 2:00PM

Are you interested in making a difference in your community? We're looking for the best candidates to fill various roles in our community health centers. If you're interested in a career with some dynamic organizations that are mission-driven to provide access to quality and equitable healthcare to all who walk through their doors, then a community health center is the right place for you! Hiring from the communities we serve is one of the ways we continue to provide culturally and linguistically competent, congruent care at every level, from frontline staff to nursing, physicians, dentist, allied health professionals, and behavioral health providers. We're looking for the best candidates to help provide care and assistance to some of our most underserved community members.

What is a Community Health Center?

Community health centers, founded during the civil rights movement, are community-based, patients-centered organizations that provide accessible, high-quality, equitable healthcare to all who walk through their doors regardless of insurance, income, or immigration status, in culturally and linguistically competent and congruent ways.

Learn More About our Community Health Centers:

ASIAN HEALTH SERVICES

Asian Health Services <https://asianhealthservices.org/>

Asian Health Services, provides health, social, and advocacy services for all regardless of income, insurance status, immigration status, language, or culture. They provide comprehensive care to their patients in English and 14 Asian languages.

Axis Community Health: <https://axishealth.org/>

The mission of Axis Community Health is to provide quality, affordable, accessible and compassionate health care services that promote the well-being of all members of the community.

Bay Area Community Health: <https://bach.health/>

BACH's mission is to deliver exceptional health and social services that improve quality of life for the individuals, families, and communities we serve.

La Clínica: <https://laclinica.org/>

La Clínica was founded in 1971 to address health barriers and create better lives for the underserved. Today, La Clínica is the first choice for providing multi-lingual, accessible full-scope health care services in the East Bay, no matter a patient's income level or insurance status.

LifeLong Medical Care: <https://lifelongmedical.org/>

LifeLong Medical Care provides high-quality health, dental, and social services to underserved people of all ages; creates models of care for the elderly, people with disabilities and families; and advocates for continuous improvements in the health of our communities.

Native American Health Center: <https://www.nativehealth.org/>

Native American Health Center's mission is to provide comprehensive services to improve the health and well-being of American Indians, Alaska Natives, and residents of the surrounding communities, with respect for cultural and linguistic differences.

Tiburcio Vasquez Health Center: <https://tvhc.org/>

Tiburcio Vasquez Health Centers is dedicated to promoting the health and well-being of their community by providing accessible, high-quality care. Their individual and organizational commitment are to ensure this human right through quality service, advocacy, and community empowerment.

West Oakland Health

West Oakland Health: <https://westoaklandhealth.org/>

West Oakland Health's mission is to improve the health and socioeconomic status of the Bay Area's Black and low-income communities by providing the highest quality health care and human services. We strive to be a health, well-being, connection, and inspiration hub.
